PIONEER AMATEUR RADIO CLUB MINUTES FOR October 27, 2022

The Pioneer Amateur Radio Club Meeting for October 27, 2022, was held at Hero's/Gambino's in Fremont. The meeting was called to order at 7 PM by President Mike Campbell, KE0KAZ. Thirty-one people were present, who introduced themselves.

MINUTES AND TREASURER'S REPORT: Approved as printed in October *PARC News*.

MOTION TO PAY BILLS: None.

HOSPITALITY: Chairperson Sharon Martens, KB0TVB sent a card and \$25 memorial to the family of member Michael Fairlie, W0MF, who died on September 26. **(Anybody knowing of somebody needing a card should let KB0TVB know. Her email address is posted on the PARC website.)**

EDUCATION: None.

FIELD DAY: June 24-25, 2023 at Izaak Walton Park in Fremont with Chairman Tony Renze, K0OMH. KB0TVB has paid the deposit. He also said Winter Field is January 28-29, 2023. He had not a decision about participating.

FLEA MARKET: July 8, 2023 at North Bend with Chairpersons Rich Mehaffey, KB0ARZ and Jane Mehaffey, KB0ZUN. This will be the Silver Anniversary. There may be street construction that could impact parking. We need a VEC to run the license testing.

PICNIC: Dave Theophilus, W0NRW said this year's event on September 25 had a big crowd with 33 people attending. Next year's picnic will be held on September 24, 2023 with KB0TVB and W0NRW as Chairpersons.

CHRISTMAS PARTY: 5 PM, December 10, 2022 at Farmer Browns in Waterloo. Linda Kirchmann, W0ZIP and Jane Mehaffey, KB0ZUN Chairpersons. **(Linda sent an email outlining the party, which has been forwarded to the members. People can sign up by sending her an email at: linmann@allophone.com or sign up at the November meeting. Linda would also like for this to be her last "making the arrangements position").**

NET MANAGER: Mel Cunningham, K0VLA passed around sign-up sheets for Net Control. Wesley Payne, KE0WHA said the computer running EchoLink is getting "old and tired". Wes Chrisman, KD0PGV said he has a new antenna ready to go up.

ARES: Steve Narans, WB0VNF displayed the award that was presented Dodge County ARES at the ServeNebraska volunteer awards luncheon that morning. He said the trailer now has new tires and other repairs due to a \$1000 donation by CF Industries. There is a training session on the new Dodge County Radio System on November 14 at 7 PM. It will be held at a remodeled Dodge County facility at 935 Schneider Street.

PUBLICITY: W0NRW reported the *Fremont Tribune* is printing meeting notices.

OLD BUSINESS: Nothing.

NEW BUSINESS: The current Officers and Board of Directors were held over for 2023. They are President Mike Campbell, KE0KAZ; Vice-President Steve Narans, WB0VNF; Secretary Dave Theophilus, W0NRW; Treasurer Sharon Martens, KB0TVB; and Board Member Darlene Hoffman, N0LOP. Voting by ballot for Ham of the Year was also conducted.

A question was raised about finding a meeting facility that is not so noisy. There is one available at the Dodge County facility at 935 Schneider Street, however it does not have a kitchen so food would have to be brought in. Comments including buying food by Gambino's and taking it to the other facility, or people bringing their own food. Other comments included staying at Gambino's, as they have been very good to PARC over the years by providing a meeting place and special buffets. No action was taken.

DRAWING: The winner of \$10 was Wes Chrisman, KD0PGV.

PROGRAM: Matt Jones, AL0R and Steve Narans, WB0VNF presented a program on the new Dodge County Radio System.

ADJOURN: The meeting was adjourned at 803 PM.

NEXT MEETING: 7 PM on Thursday, November 17, 2022, at Hero's/Gambino's.

Respectfully submitted, Dave Theophilus, W0NRW

Dodge County Radio System Training Info

Training on the Dodge County New Radio System will be this coming Tuesday, November 14th from 7—9 p.m. It will be held at the new Dodge County Facility at 935 Schneider ST in Fremont.

Schneider Street is a north-south street that runs from the railroad tracks on the south side of Fremont south to the East Cloverly Road. It runs along the west side of Fremont Beef. The Dodge County facility is on the west side of Schneider Street about halfway between East Factory Street and East Cloverly Road.

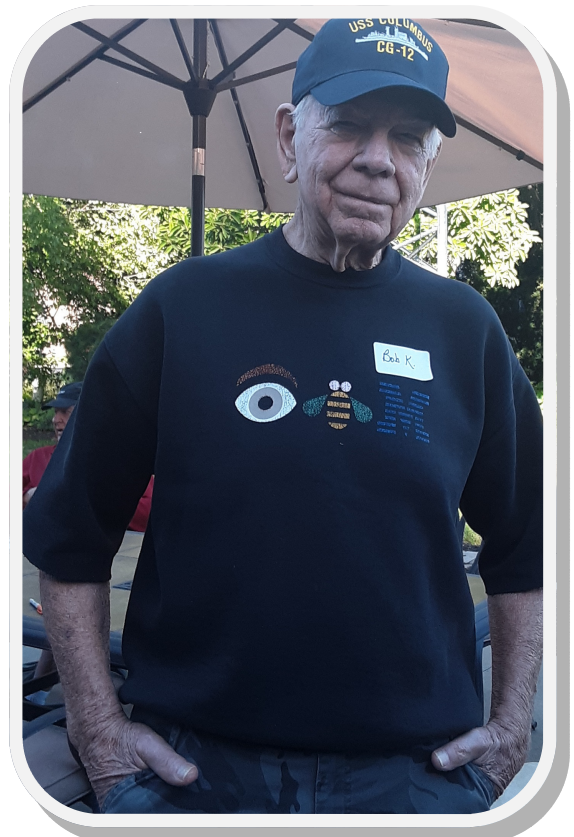

Matt Jones, ALOR and Steve Narans, WB0VNF will be the trainers.

The training is for all PARC members who are or want to be a part of the ARES response to an emergency in Dodge County. They need to understand the new Communications System for the County. They may be asked to be a volunteer who has both an ARES radio and the new County Radio. In addition, because of our experience with radios, we can support others who have never used a radio before in an emergency situation.

If you can attend, please send an email to Steve at stevendnarans@gmail.com
